Irish genocide 1558 to 1656 – Template for the following 500 years right up to Gaza today

In his letters and speeches, "Puritan" Cromwell called himself "the English Joshua" and "the English Gideon", and called his own personal mission as being "to purify Israel". He was very strongly influenced by the "holy" rabbi Maimonides. His contemporary Marchamont Nedham wrote of Cromwell: "Beware the English Joshua".
The British Establishment has always been Cabalist, i.e. Satanic

All of this and more was the very template that, over 500 years, built the British Empire and its direct successor, the Talmudic "new" world order. The very same tactics are deployed in the Arab-Semitic and Gaza Holocausts today

"Catholicism had correctly decreed that most books of the Old Testament applied only to Jews and to antiquity.
Thus the interdiction of pork by Deuteronomy 14:8 applied only to Jews.
But Anglicanism showed it was covertly Judaic by applying Deuteronomy
to Irish Catholics and adopting the "British Israel" Psychopathy.
The overall impression in general is that Anglicanism was never really Christian,
but a lethal toxin best referred to as "Judeo-Anglicanism"."

The "Holy" Reformation in Ireland (1558-1656) is the template that "Team Antichrist" reused for all its genocide operations in the 500 years of the "Age of Antichrist".

But the single most striking aspect of the "Holy" Reformation in Ireland is that it was not Christian but Judaic.

By 1830, Ireland was a miserable wasteland of abject poverty which resulted from the “holy” “Judeo-Anglican” mission to chastise Ireland’s “subhuman”, “idolatrous” “Canaanites” in fulfillment of Deuteronomy.

Although the Continent had seen scorched-earth tactics before, they had only been used to deny an opposing army food, but never yet to attack any Christian Civilian population. It was really Anglicanism that supplied the “theological” “justification” for putting all “subhuman” Irish “Canaanites” to the sword, by order of “Judeo-Anglican” Elizabeth I, “Puritan” Cromwell, and Judeo-Freemason James VI & I:

· Elizabeth I had the first openly Rosicrucian Court featuring many Judaic Kabbalists. Catholics did not portray Elizabeth I favorably, but Anglicans portrayed her as “the English Deborah”, “New Esther”, “New Judith”, etc. During her reign, Elizabeth I was likened to Deborah, who led the Israelites to victory over the Canaanites, the very obvious analogy being that Elizabeth I was “the English Deborah” genociding the Irish “Canaanites”. This analogy served to “legitimize” her rule as Anglican Tyrant and her “holy” mission to genocide Irish Catholics. In the Book of Judges, Deborah, aided by Barak, leads the Israelites to victory over the Canaanites under Sisera. British propaganda later altered the meaning of Elizabeth I’s “Deborah” motif to signify “Feminist Icon” instead.

· In his letters and speeches, “Puritan” Cromwell called himself “the English Joshua” and “the English Gideon”, and called his own personal mission as being “to purify Israel”. He was very strongly influenced by the “holy” rabbi Maimonides. His contemporary Marchamont Nedham wrote of Cromwell: “Beware the English Joshua”.

· James VI & I was a Freemason, Rosicrucian, Kabbalist, and demonologist who styled himself “King of Israel”.

Anglicanism was officially founded in 1534, when Henry VIII declared himself the Head of the Catholic Church in England, i.e. by “merely” usurping the Pope’s authority. This title suggests that Henry VIII did not really view himself as a Protestant but rather as “a Catholic in England”. And his “Six Articles”, passed in 1539, suggest that he wanted Catholic worship in England to continue. The Judaic Toxicity of Anglicanism did not really arrive until Elizabeth I in 1558. Her “39 Articles” of Anglicanism were finalized 13 years later, in 1571, and although these “39 Articles” were overtly Christian with a Catholic leaning, Anglicanism was covertly Judaic-Diabolical because of the following facts:

1. Elizabeth I and her retinue espoused the “British Israel” Mythology that swiftly morphed to become the “British Israel” Psychopathy. Her “Judeo-Anglicanism” invented two bogus identities whereby the “righteous” British “Israelites” had the “holy” deuteronomic mission to genocide all “subhuman”, “idolatrous” Irish “Canaanites”. Its own website still hosts the following mendacious article in which the “British Israel” Psychopathy synopsizes its junk-science “logic” for mislabeling the Celto-Germanic Irish as “Mid-East Canaanites”: https://british-israel.us/188.html.

2. Anglicanism embraced Judaism: Henry VIII enlisted the aid of rabbis to vainly argue his divorce on the basis of Leviticus. Worse still, the rabbis inordinately influenced his lackey Thomas Cranmer to force him to abolish the Real Presence of Christ in the Eucharist, AND removed Divine Grace by destroying or mitigating the wording of all sacraments (not just the Eucharist), AND abolished many of the Supernatural Realities of Catholicism.

3. The “Holy” Reformation was heavily influenced by Judaism and the “holy” rabbi Maimonides. “Judeo-Anglican” jurist John Selden wrote a lot about the Maimonides-invented Noahide “Laws” that were totally imperative to all reformers. Cromwell’s political and religious interests expanded and he gradually incorporated Judaic concepts into his entire psyche. Cromwell did not implement the Noahide “Laws”, but he disparaged Catholicism using the exact same language the “holy” rabbis still use today (“pure idolatry”, “blasphemous”, “idolatrous”, etc.).

4. Elizabeth I retained an openly Rosicrucian Court, with Judaic Kabbalists and Black Magicians like John Dee.

Catholicism had correctly decreed that most books of the Old Testament applied only to Jews and to antiquity. Thus the interdiction of pork by Deuteronomy 14:8 applied only to Jews. But Anglicanism showed it was covertly Judaic by applying Deuteronomy to Irish Catholics and adopting the “British Israel” Psychopathy. The overall impression in general is that Anglicanism was never really Christian, but a lethal toxin best referred to as “Judeo-Anglicanism”.

Technically too, the “Holy” Reformation in Ireland can NOT be called “the English Inquisition” because Canterbury and London decreed: “Ask no questions, just kill all the Irish”. In Ireland, the “Holy” Reformation was also the exact “opposite” compared to Continental Europe where, for instance, in the Thirty Years’ War, the city of Oppenheim, in the district of Mainz-Bingen, changed hands so many times between the Catholic-Habsburg forces of Spain and the Swedish-backed forces of the German Protestant Union that historians calculated that the (fortunate) citizens of Oppenheim were permitted to change their faith no fewer than 27 times, ending up Catholic. In stark contrast, Canterbury decreed that Irish “Canaanites” were NOT entitled to convert to Anglicanism or “Puritanism”. This was really the wholesale and immediate, or unquestioned, slaughter of all Irish with no options even granted.

In the four Irish Holocausts of 1558-1656, impeccable sources show that the “Holy” Reformation genocided a total of 1.2 million Irish Catholics, but Britain’s talents for murder AND cover-up ensure that the internet still makes no mention of this. Keep in mind that Ireland was a very populous nation at the time, and that Ireland’s 1.2 million death-toll during the “Holy” Reformation was roughly 12 percent of the total death-toll of the Thirty Years’ War.

This industrial genocide was by Elizabeth I and Cromwell but, when dealing with religion or the “Holy” Reformation, British “history” books focus exclusively on the “evils” of the Spanish Inquisition or on the “evils” of various Papal Crusades. Naturally too, when discussing “Puritan” Cromwell, British “history” books focus almost entirely on the “exceedingly vital” subject of regicide, while totally ignoring the genocide of 1.2 million “subhuman” “Canaanites” in Ireland by Cromwell, Elizabeth I and James VI & I. That is because 1.2 million “subhuman” Irish do not “matter”.

The Anglican Slavers did not perceive British rule as “governance” but as PUNISHMENT of these “subhuman” Irish “Canaanites”. Many Anglican preachers said the PURPOSE of British rule was the chastisement detailed in Deuteronomy 28:49-51; meaning that the “holy” mission of the Anglican Slavers was to PUNISH the Irish, whom Canterbury formally labeled “subhuman Canaanites, cursed by God; and in no need of conversion”:

“The Lord will bring upon you a nation from afar, and from the uttermost ends of the Earth, like an eagle that flies swiftly, whose tongue you cannot understand, a most insolent nation, that will show no regard to the ancients, nor have pity on the infant, and will devour the fruit of your cattle, and the fruits of your land: until you are destroyed, and will leave you no wheat, nor wine, nor oil, nor herds of oxen, nor flocks of sheep: until you are ruined”.

Anyone analyzing Ireland in 1830 will discover a miserable wasteland of abject poverty resulting from the “holy” “Judeo-Anglican” mission to chastise all “idolatrous”, “subhuman” Irish “Canaanites” in fulfillment of Deuteronomy.

Genocide in Ireland was always by the murderous English monarchy, the Freemasonic British Army, and the Malthusian British Regime. But the lethal glue cementing it all together was “Judeo-Anglicanism”

DEATH-TOLL

English “adventurer” and poet Edmund Spenser certified 450,000 Irish killed in Elizabeth I’s Plantation of Munster in 1558-94, plus 25,000 Irish enslaved to the Levant and the Americas.

130,000 Irish Catholics died under Elizabeth I in the Nine Years’ War (1594-1603).

40,000 Irish Catholics died under James VI & I in the Plantations of Ulster and West Leinster (1606-21).

William Petty’s “Down Survey” certified that, in 1641-56, “Puritan” Cromwell genocided 618,000 Irish Catholics, and enslaved 200,000 to the Caribbean and the Americas.

All of this and more was the very template that, over 500 years, built the British Empire and its direct successor, the Talmudic “new” world order. The very same tactics are deployed in the Arab-Semitic and Gaza Holocausts today

Then the Irish so called potato famine. The potato crop failed but the British shipped out all the other food regardless. Low lie the fields of Athenry

Yes Ian, this about 300 years after the first Irish genocides started. Most folk don’t really know much about them which is one of the reasons I posted this

And most folk also think that the potato “famine” was an act of God. Rather than an act of the British State as you say

Tapestry says:

My ‘ancestor’ Colonel John Jones was in command of the British Army in Ireland after the Civil War ended. Actually he married my ancestor and he lived in the house we were brought up in. His papers disappeared from my father’s desk. No one knows where they went. Yet it is recorded that he believed the Devil dwelt inside the Vatican, and he and all others believed they were fending off evil. The final victory over Europe’s Catholics was the Battle of the Boyne in Ireland. Ireland was the front line in Europe’s religious wars. The Orange Order funded Cromwell and the so-called Parliamentarians – to bring the Jews into London and set up the Bank that enslaves us up to this day – the so-called Bank Of England (Bank to enslave England). The Catholic Church wanted to stop the takeover of the world by The Orange Order. They failed in Ireland to turn round conquest by the Orangemen. One version of Jew procures good men to fight other Jews procuring other good men. Ju means government in Hebrew. Russians fight Ukrainians, whose paymasters desire power, not the soldiers who do the fighting, who believe right is with their side.
